

Tealfabric

GOVERNED OPERATIONS PLATFORM

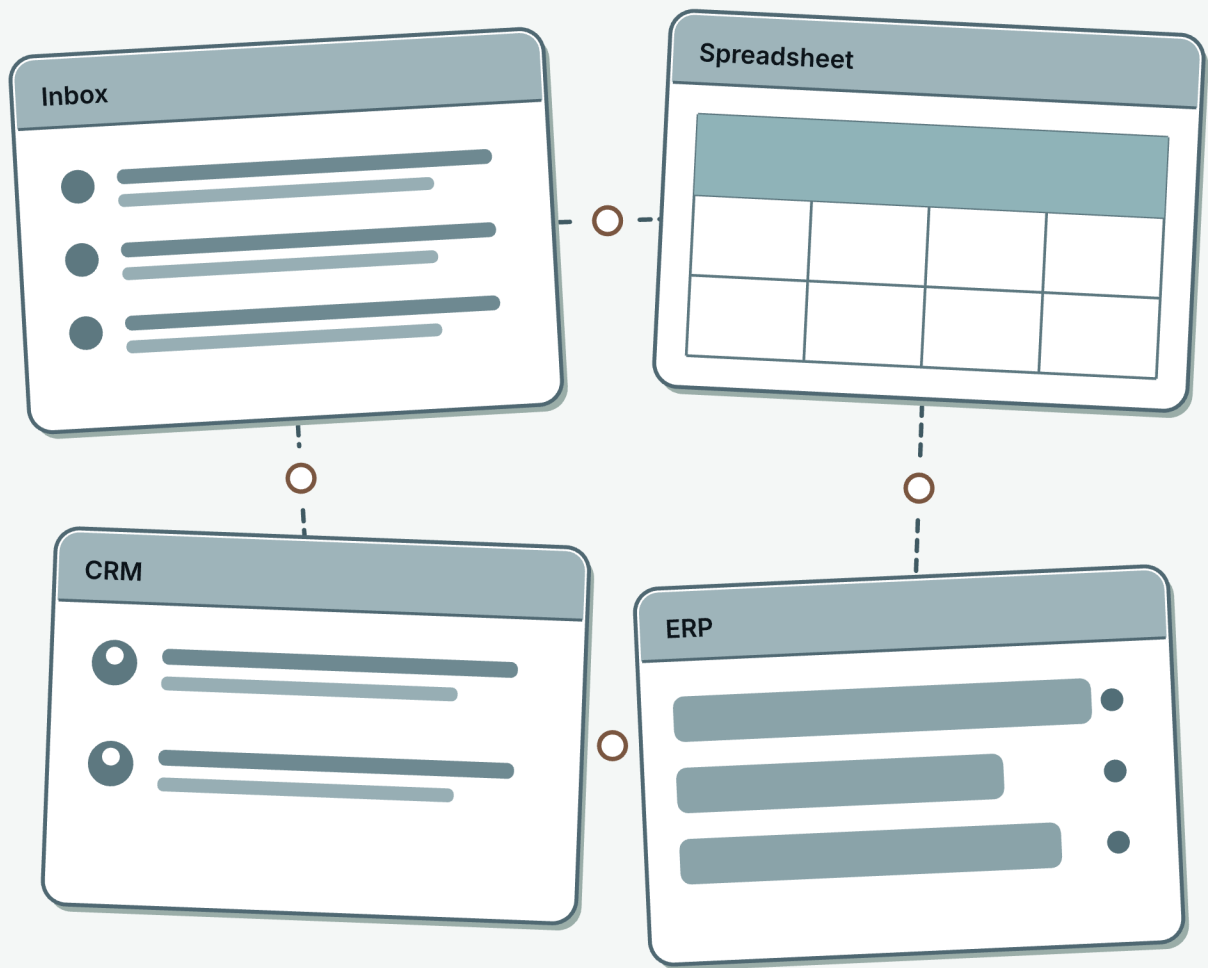

Work should flow between people and systems.

Tealfabric runs that process across
your people, governed AI agents, and
the systems you already use.

TODAY

Work gets stuck.

History sits in inboxes and spreadsheets.

Fewer manual touches

Less copying between apps

Faster cycle times

Less waiting between steps

WITH TEALFABRIC

Work runs through.

ONE TENANT

Request

People

Agents

Systems

Approved, then recorded

Your CRM, ERP, and tickets stay in place.
